A Message to Volunteer of the Year Awardee, Joanne Fabry

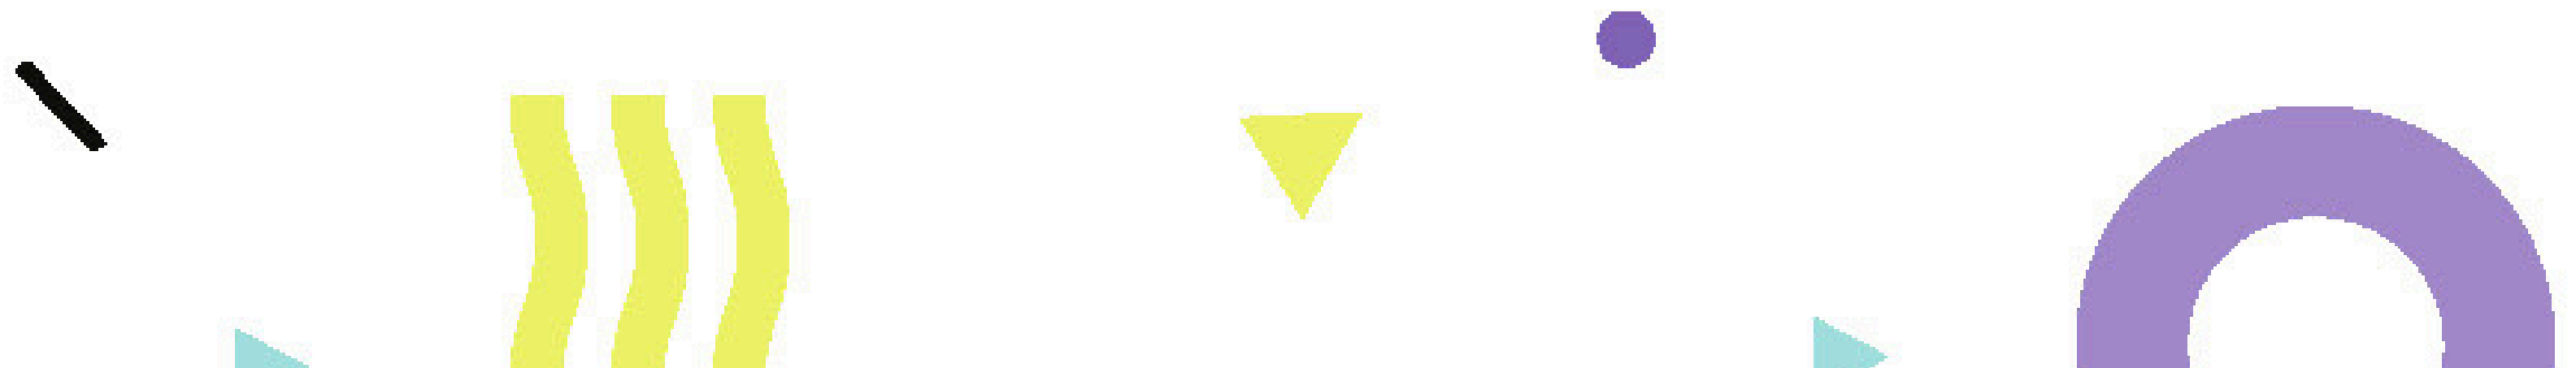

“Congratulations on your award as volunteer of the year at this 40th Anniversary Gala. I’m unable to be there for this celebration, but you are well represented by our family members. You have always been an inspiration to me to join a Habitat organization from the first time I saw you wearing a work belt with your carpentry tools when I lived in CT. Since I now live in a remote area in Burke Vermont, there wasn’t a Habitat organization located here. So I, along with a friend who previously had administrative knowledge at a New Hampshire Habitat chapter, created a board of mostly retired construction workers and started a local chapter in 2007 called “Habitat for Humanity in the Northeast Kingdom”. We had a great run, but unfortunately, it did not last. After 17 years, we finished our last project in October of 2024. Joanne, your Habitat achievements are commendable, and I’m thankful to you for supporting our chapter at our annual fundraiser. I can’t express enough how proud I am to be your brother and of all your accomplishments. Enjoy this special day and best wishes to all of our family guests.”

- Bob Gondar, brother of Joanne Fabry
