Elections. Directors shall be elected by a majority vote of the directors attending the December meeting (or next meeting thereafter having a quorum). A director may be re-elected for additional three-year term with a maximum of three consecutive three-year terms (9 years total). Representatives of active Campus Chapters may sit on the Board of Directors as full voting members. While elections will normally be held at the December Board meeting, empty seats may be filled at any Board meeting having a quorum, by majority vote of the Directors present. Directors may resign at any time or be removed, with or without cause, by a two-thirds vote of the entire Board of Directors. Terms will end in the third December following election, except that Directors chosen to fill a formerly empty Board seat shall have their terms end in the December following the third anniversary of their election.
