A celebratory graphic for a 38th anniversary. The central text '38 years of work' is set against a blue background. The number '38' is large and white, while 'years of work' is in a smaller blue font. The entire graphic is surrounded by a white background with scattered, colorful confetti pieces in shades of yellow, blue, red, green, and purple. A vertical blue bar is on the left, and a vertical yellow bar is on the right.

38
years of
work

Dear Friends,

We have so much to celebrate in 2023! We held our 283rd Home Dedication in December, marking yet another milestone in our journey to provide families with safe, affordable housing. We also broke ground on four homes in Fairfield, CT—an exciting first for us in this community. The generosity of the Town of Fairfield has made this possible, and we look forward to continuing this strong partnership as we work together to build even more affordable Habitat for Humanity of Coastal Fairfield County (Habitat CFC) homes for the families we serve.

In addition to these achievements, we've seen incredible support from volunteers, donors, and partners. Whether through swinging a hammer, sharing expertise, or making financial contributions, your time, talent, and treasure have transformed lives by creating opportunities for affordable homeownership. We are deeply grateful for your dedication and commitment, which is at the heart of everything we accomplish.

At Habitat CFC, we put God's love into action by bringing people together to build homes, strengthen communities, and inspire hope. Together, we are building a future where every family has the opportunity to thrive.

Thank you for making 2023 such a successful year—we couldn't do it without you!

In Partnership,

Carolyn Vermont

Carolyn Vermont
CEO

OUR MISSION:

Habitat for Humanity of Coastal Fairfield County seeks to build community and improve lives by partnering with low-income families, community volunteers and donors to build decent and affordable homes in stable and welcoming neighborhoods.

OUR VISION:

We share the vision of a world where everyone has a decent place to live.

We are proud to be:

a construction company

with a green focus. Every Habitat CFC home built since 2010 has been Energy Star rated, saving Habitat homeowners 35-40% on their utility bill.

a family services agency

that, for the past 38 years, has been providing support and education as well as helping families purchase their homes and become advocates for their neighborhoods.

a nonprofit financial institution

that sells homes below cost with no down-payment and 0% interest mortgages to hardworking families in Coastal Fairfield County.

a community service provider

for individuals, corporate, faith-based, and community groups who volunteer with us throughout the year.

ReStore

we sell quality, used furniture and building materials which keeps tons of materials out of landfills and raises funds to build more Habitat homes.

Habitat for Humanity is a global, non-profit organization that was founded in 1976 with the purpose of helping low income families build and improve their homes. Currently, Habitat is in 70 countries worldwide, and through its work, more than 39 million people are able to have access to a decent home.

In Coastal Fairfield County, Habitat started in 1985, and to date, it has served more than 1,100 families by building and rehabbing 283 homes. Habitat has provided them with the strength, stability, and self-reliance required to build a better life for them and their families.

How we're funded:

- Corporate sponsorships & grants
- Donors & family foundations
- Mortgage payments from existing Habitat CFC homeowners
- Government grants
- Fundraising events
- ReStore

How we select homeowners:

- Able to pay an affordable mortgage
- Willingness to complete homeownership classes and partnership equity hours
- In need of affordable and decent housing

Interested in becoming a Habitat homeowner? The journey begins at one of our Homebuyer Informational Sessions!

Here's how you can help:

- **Donate:** from a full house sponsorship to a bucket of nails, every donation helps us build! You can even donate your vehicle at carsforhomes.org!
- **Shop and Donate to our ReStore:** We sell gently used furniture, appliances, and home improvement items at affordable prices. All proceeds support Habitat for Humanity CFC's mission to build safe, affordable housing in our community.
- **Volunteer:** support Restore operations or help us in our warehouse/build sites!
- **Advocate:** Use your voice and spread the word!
- **Join a committee:** Help us plan our annual Golf Outing, Gala, and support our Family Services Department!

hours of partnership equity hours completed by future homeowners

"Owning my own home will create financial stability, a sense of accomplishment, and family stability for my children and me. It will have a major impact on my children's lives."

-Olivene Blake

"We are looking forward to having our own place, where we can create new memories without worrying about moving every year."

-Yomaira Rivera

"This will change my life in more ways than I can imagine. Most importantly, it gives stability."

- Marie Gaines

670

children have grown up
in or are growing up in a
Habitat CFC home

An aerial photograph of a two-story blue house with a white gabled roof and a white porch. The house has two windows on the second floor and a red door on the porch. A wooden deck with a lattice railing is visible. A red SUV and a black SUV are parked on the street to the right. A green lawn and a sidewalk are in the foreground. A blue circle is overlaid on the left side of the image, containing text.

“When I was renting, we didn’t have a lot of space. Now, as a homeowner, I have a lot of space. I can mow the lawn and be happy and have control on how everything looks.”

Krystal Key

Homeowner since 2021

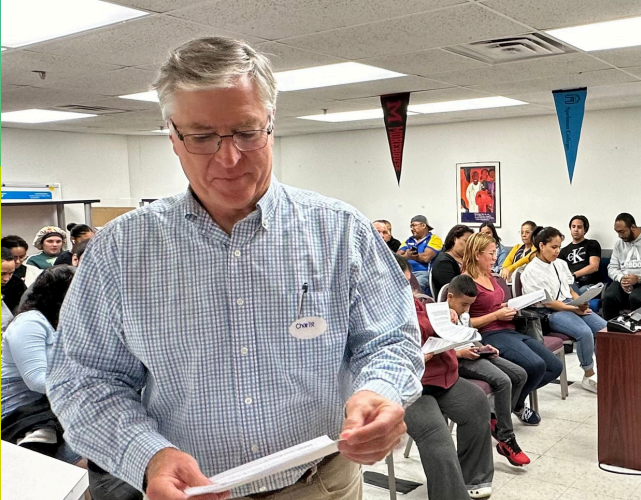

What I about my home.

During an art project facilitated by members of Youth United, the children and grandchildren of Habitat homeowners painted what they love about their Habitat home. From playing in the yard, to the color of the siding, they gave so many reasons why they love their home!

“I like the color of the house. Grandmom helped build it. My family lives in it.” - Kemet O. Malcolm-Kemp

Homebuyer Informational Sessions

In 2023, Habitat for Humanity CFC held a series of impactful homebuyer seminars in Coastal Fairfield County, Connecticut, aimed at expanding access to homeownership, especially within the Coastal Fairfield County community. The first event, Advancing Black Homeownership, was a targeted, intimate session held in partnership with the City of Bridgeport and a local hospital. Fourteen attendees received individualized guidance on navigating the home-buying process, resulting in 12 applications, six returned applications, and one approved participant. This focused approach allowed for meaningful engagement and a personalized path to affordable housing.

Alongside this targeted effort, Habitat hosted two larger public seminars at the Bridgeport Public Library, each attracting significant interest. The first seminar registered 105 individuals, with 82 attending, 65 applications distributed, 22 returned, and three approved. The second session saw 80 registrants, 49 attendees, and a remarkable return rate of 29 applications from 49 distributed. These events provided a comprehensive introduction to the homeownership journey, covering topics like budgeting, mortgage requirements, and Habitat's application process.

Through these seminars, Habitat empowered dozens of community members with knowledge and resources critical to securing homeownership. The strong turnout and engagement underscore a demand for accessible housing pathways. Habitat plans to expand these seminars and partnerships to further support underserved communities in achieving their homeownership dreams.

engaging youth

Youth United is the youth division of Habitat CFC. Students ages 12 to 18 from different backgrounds, schools, and organizations in Fairfield County come together to develop leadership skills, engage in positive service activities, and make friends in the broader community.

Youth United coordinates build days, fundraisers, and other activities so that every student can contribute to Habitat CFC's mission of providing decent and affordable housing in Coastal Fairfield County.

Since 2005, Youth United has sponsored eight Habitat CFC homes for local families.

In 2023, Youth United members contributed on our build sites and the Habitat CFC ReStore. Youth United held bookcase and birdhouse building projects as well as participating in various fundraisers throughout the year. From car washes to bake sales, the students were able to raise over \$10,000 in 2023. Youth United members came together to participate in advocacy sessions to learn more about the Habitat mission and how they can influence housing policies in this area.

engaging women

Women Build is Habitat CFC's program to engage and empower women to help families build safety, stability, and self-reliance through affordable homeownership. Women Build volunteers participate in Build Days, advocate for affordable housing, and fundraise to help build the next Women Build home.

YOU can help women and families build safety, stability, and self-reliance through affordable homeownership opportunities. Volunteer alongside other women when you join in one of our monthly Women Build volunteer days.

- Join a Women Build **volunteer** day and work alongside other women to help build a home!
- Use your voice to **advocate** for affordable housing!
- **Fundraise** to help us build the next Women Build home by attending or helping to plan an event!

We broke ground in the Town of Fairfield for the first time ever!

The Town of Fairfield is partnering with Habitat CFC by purchasing the land and providing us with a \$1/year, 75-year renewable ground lease to develop four new affordable home ownership units in Fairfield, where the median sales price of a single-family home exceeded \$800,000 in 2022. We are hopeful that this project will serve as a model that can be replicated elsewhere within Fairfield, adding to the Town's current inventory of 625 affordable housing units!

We have dedicated **283 homes!**

ReStore®

Habitat for Humanity of Coastal Fairfield County

Donating your gently used items **builds** strength and stability in our community!

recycle your idle vehicle

Donate your vehicle to help us build strength, stability and self-reliance through affordable homeownership opportunities.

[habitat.org/carsforhomes](https://www.habitat.org/carsforhomes)

Genworth Financial, Inc. is a Fortune 500 holding company focused on empowering families to navigate the aging journey with confidence, now and in the future. Genworth provides guidance, products, and services that help people understand their caregiving options and fund their long-term care needs. Genworth is also the parent company of publicly traded Enact, a leading U.S. mortgage insurance provider.

Genworth values and respects people's differences, while simultaneously striving to help empower people. They are committed to making investments to support the less privileged in Connecticut communities by providing support and contributions over the past few years. Their employees are committed to volunteering their skills, and their time, to help make a positive impact on society.

Genworth has volunteered with Habitat CFC for many years. In 2023, 35 employees volunteered on four Corporate Team Build Days. We were proud to have honored Genworth with our Second Mile Award at our 2023 Annual Gala for their continuous support of our mission.

M&T Bank believes the power to positively impact communities happens both at a company and individual level. The M&T Charitable Foundation strives to strengthen our communities by providing support for a diverse range of civic, cultural, health and human service organizations through grants, employee volunteerism and in-kind services. They are also committed to supporting affordable housing efforts throughout the United States. M&T Bank provides employees the opportunity to volunteer up to 40 hours each year with organizations of their choice.

M&T Bank first contributed to Habitat CFC in 2016. Prior to that, People's United Bank, which was purchased by M&T Bank, began donating to our affiliate in 2003. Combined M&T and People's United have contributed more than \$200,000, which is the equivalent of a full house sponsorship.

In 2022, the M&T Bank announced an increased commitment to the New England region through the Amplify Grant Fund. Through this initiative, Habitat CFC received a \$60,000 grant to enhance our Advancing Black Homeownership Program.

This year, Habitat CFC was honored to present our first Corporate Citizenship Award to the bank at our 2023 Annual Gala for their unwavering financial and volunteer support.

United Methodist Coalition

United Methodist Coalition (UMC), a compilation of United Methodist Churches located in the Fairfield County area, was formed in 1998 to raise funds to sponsor Habitat CFC houses. Over the years, UMC has sponsored numerous houses and made a commitment in 2023 to sponsor one of our future Chopsey Hill Road houses in Bridgeport, Connecticut. Collectively, the members of UMC have volunteered countless hours on their sponsored builds and developed relationships with the families of each home they sponsored.

Hubbell Incorporated is an international manufacturer of high quality, reliable electrical and utility solutions for a broad range of customer and end market applications. With 2019 revenues of \$4.6 billion, Hubbell Incorporated operates manufacturing facilities in the United States and around the world. Hubbell's corporate headquarters is located in Shelton, Connecticut.

Hubbell has generously supported Habitat CFC with funding and volunteers since 2005. The organization has been a strong supporter of our Women Build program; they have volunteered multiple years during International Women Build Week and on other Women Build initiatives. In 2023, Hubbell supported a community garden project in Bridgeport, Connecticut that Habitat CFC works with to help residents and youth volunteers maintain and improve the garden.

our donors

Thank you!

In 2023, the following generous individuals donated \$100 or more to help Habitat CFC support local, low-income, hard-working families by building simple and decent homes and selling them below cost with affordable mortgages. We could not be more grateful!
